Junior Year Already?

The first two years have flown by, and today's juniors have a full plate: taking college entrance exams, researching schools, prepping for AP and subject tests, and nailing that overhand serve. We'll help you get through it.

1 My Dashboard and Sign Out links show once signed in.

2 Signed-In Student name. Parent may be logged in but Student name will display here.

3 SAT and ACT Scores recorded here. In Phase 1, admin manually inserts scores using Concrete5 editing tools.

4 Message Center: messages sent from logged-in instructors, admins and student/parents appear here, sorted by recency in descending order.

5 Admins, instructors and student/parents can leave messages here. Instructors are assigned to a "group" and all students assigned to them are part of that group. The To: and From: dropdown fields contain all applicable recipients and senders based on the logged-in user's group associations.
